

## **- ACKNOWLEDGEMENT-**

Ms. Jean Abrams, administrative secretary in the office of the state Treasurer, compiled an historical summary on each of the state treasurers for Kentucky's Bicentennial Celebration in 1992. Upon completion of that project, she agreed to compile a summary on each of the state Auditors.

This book is the result of Jean's thorough research and her commitment to historical accuracy. Her sources included: the Filson Club, the Kentucky Historical Society, the King Library at the University of Kentucky, and the Courier-Journal.

We appreciate her professionalism and her enthusiasm for this project.
